

TOPS NEW ENHANCEMENT FOR SIDEWALK CAFÉ PERMITS

d.

Presentation on Enhancements for the Public
9/21/2020

What Changed and the Benefit to Sidewalk Café Owners

Enhancements:

- Permittees have the ability to identify individual unit numbers for each sidewalk café, in addition to the physical address.
- Permittees can verify licensing information from the DC Department of Consumer and Regulatory Affairs (DCRA). This is done through an Application Programming Interface that allows the Transportation Online Permitting System (TOPS) website to communicate with DCRA's licensing portal.

Benefits:

- Time-saving benefits allowing permittees to verify their DCRA license within the TOPS program;
- Verification of licenses by DDOT's staff allows them to see actual licensing statuses that will allow for more accurate processing of sidewalk café applications;
- Increased enforcement of sidewalk cafes for Public Space Inspection Officers.

TOPS (Transportation Online Permitting System)

The screenshot displays the homepage of the District of Columbia Transportation Online Permitting System (TOPS). At the top, the header includes the 'd.TOPS' logo, the text 'District of Columbia Transportation Online Permitting System', and the 'DC.gov' logo with three stars. Below the header, there is a large banner image of a city street under construction. To the right of the banner, a 'New TOPS Users' section provides instructions for first-time users and includes a 'REGISTER' button. Below the banner, a 'Search for Permit' section allows users to select a permit type and enter a tracking or permit number, with a 'FIND' button and a link to 'Click here for Advanced Search'. To the right of the search section, a 'System Overview' section explains the system's purpose and includes links for 'Learn more about the Permit Application Process' and 'ENP / Reserved Parking Sign Enforcement'. Below the search section, an 'Apply for new permit' section encourages users to apply for permits and includes 'LOGIN' and 'REGISTER' buttons. On the left side of the page, a 'Press Release' section lists recent news items, such as 'Suspension of Work in the District of Columbia - Observance of DC Emancipation Day, Tuesday, April 16, 2019', with links to 'Read More'. Below the press release, there are several links for 'Read More' regarding traffic control plans, sign printing options, and mobile app information. At the bottom of the page, a 'Public Space Permit Lookup Tool' section features a map icon and a link to view a map for commercial use of public space.
